Farm At Auction Saturday, Sept. 24, 1921

On the above date I will sell at Public Auction, on the premises in the 3rd district of Jackson County, Tenn., the lands known as the Haywood Birdwell, or the Shields farm, situated on the waters of Wartrace, to the highest and best bidder, on attractive terms, which will be made known on the day of the sale.

This is one of the finest farms in Jackson county, containing 120 acres, with good improvements; in one mile of excellent school; on splendid road; in fact has all the advantage one could wish in the selection of a good home. It has about 20 acres of fine bottom land and the up-lands are first class; plenty of good blue-grass, wood and water on the place, and the neighborhood can not be excelled in the state.

This a rare opportunity for one wanting a good home, so don't forget the date of sale and come prepared to buy it. The High Dollar gets it. This land will be sold in lots, and then as a whole, the largest sum derived from the sale as a whole or in lots, will be accepted. Possession Jan. 1st, 1922.
